

# VEGETABLE BEDS

Mound soil in center of bed

## MATERIALS

- \* Vegetable Beds
- \* Cardboard
- \* Wheelbarrows
- \* Shovels
- \* Vegetable Planting Mix
- \* Soil Amendments

## DIRECTIONS

1. Remove any grass and weeds from inside the beds
2. Place a layer of cardboard on the ground
3. Add vegetable mix into beds
4. Mix in soil amendments into last 6"-12" of soil
5. Overfill beds, there will be an approximate 4" mound of soil in the middle of each vegetable bed.
