Community Partnerships Outlook

January 2021

Happy New Year! Out Teach shares our outlook for innovative national and community partnerships in 2021 that will **impact education with measurable results.**

Join Out Teach in **celebrating the dynamic work of women and girls in science** as we spotlight female teachers and students leading the way in science in our schools!

School Spotlight

March 2021

Out Teach partner schools impact thousands of students everyday. Celebrate the great work happening in schools as we **spotlight Out Teach partners across the country** that are transforming lives.

Celebrate Earth Day all month long as we share environmental resources and lessons that empower teachers to instill the value of the natural world and its preservation in our students as they utilize the outdoors for teaching and learning.

STEM Summer Camp

July 2021

Our **STEM Survival Camp** was a huge success and we're excited to do it again! Teams of young STEM pioneers will select a real-world challenge and engage in a week of real-world science and engineering tests that build 21st Century skills and balance hands-on time with virtual learning.

Our Teach Corporate Partners help ensure that #EducationIsOpen. **Join us as we spotlight how our partners** impact their communities, engage their employees, and help make our work possible everyday!
