Out Teach’s
Education Is Open Campaign

2021 Initiatives
Join Out Teach in celebrating the dynamic work of women and girls in science as we spotlight female teachers and students leading the way in science in our schools!

Out Teach partner schools impact thousands of students everyday. Celebrate the great work happening in schools as we spotlight Out Teach partners across the country that are transforming lives.

Celebrating the work of women and girls in science.

Happy New Year! Out Teach shares our outlook for innovative national and community partnerships in 2021 that will impact education with measurable results.

Celebrate Earth Day all month long as we share environmental resources and lessons that empower teachers to instill the value of the natural world and its preservation in our students as they utilize the outdoors for teaching and learning.

Community Partnerships Outlook

July 2021

Corporate Partner Spotlight
August 2021

Out Teach Corporate Partners help ensure that #EducationIsOpen. Join us as we spotlight how our partners impact their communities, engage their employees, and help make our work possible everyday!

We have created so many Outdoor Learning Labs over the years and now you can too! Join us for an interactive session on how to create your own Outdoor Learning Lab at home.

Our STEM Survival Camp was a huge success and we’re excited to do it again! Teams of young STEM pioneers will select a real-world challenge and engage in a week of real-world science and engineering tests that build 21st Century skills and balance hands-on time with virtual learning.

In collaboration with our partners, we will be honoring amazing educators throughout the country with our Teacher Wall of Fame and Teacher of the Year awards to celebrate Teacher Appreciation Week.
In celebration of World Teachers Day on October 5th, we will be hosting virtual tours of Out Teach Outdoor Learning Labs throughout the country. Meet the amazing teachers and students that we work with everyday as they guide us through their work in these spaces!

During the month of November, we will be celebrating STEM education through STEM competitions, newsletters, and more. Stay tuned for more details & events!

We’ll be highlighting all the work we accomplished throughout the year and looking ahead to 2022!

International Literacy Day
September 2021

International Literacy Day takes place on September 8th, but we will be celebrating all month long! We will be spotlighting teachers who are utilizing literacy integration to help mitigate COVID-19 learning loss. Stay tuned for more details & events!
